Sir:

In response to the notice to file corrected application papers mailed January 13, 2011 and further to the January 24, 2011 submission of a replacement figure 4 , please replace figure 4 in the application with the attached replacement sheet 4/7. The attached replacement drawing corrects the following noted deficiencies of Figure 4: an ink stamp or the image thereof obscures the illustration (Figure 4); and Fig. 4 data on the left side touches the serial application and date stamp.
